SANCTIONING THE BUDGET ESTIMATES OF THE GENERAL MUZRAI FUND FOR 1928-29.

READ—

Letter* No. 20 of 26-27, dated 30th April 1928, from the Muzrai Commissioner in Mysore, submitting for sanction the Budget Estimates of income and expenditure of the General Muzrai Fund for the year 1928-29.

*(To be printed in extenso with the enclosure.)

ORDER No. 2017-9—MUZ. 327-27-2, DATED 8TH MAY 1928.

The Muzrai Commissioner's proposals are approved. He is requested to submit early a consolidated list of works to be undertaken out of the provision made for works and repairs of Institutions in the Budget.

B. SRINIVASA IYENGAR,
Secretary to Government,
Financial Department.

From P. G. D'Souza, Esq., BA., B.L., Muzrai Commissioner, in Mysore to B. Srinivasa Iyengar, Esq., B.A., B.L., Secretary to the Government of His Highness the Maharaja of Mysore, Financial Department.

I have the honor to submit herewith the Budget Estimates of income and expenditure of the General Muzrai Fund for the year 1928-29 and to state as follows:—

2. As proposals for revision of establishment including the Engineering Establishment paid from the General Muzrai Funds are under active consideration of Government no provision has been made for the same in this Budget.

3. The temporary grant to Sri Chamundeswari Temple on the Hill, Mysore, has been continued for a further period of three years as per para 1 of the Government Order No. 2222-4—Muz. 333-26-4, dated 17th May 1927.

4. The annual grant of Rs. 200 was given as additional cash Tasdik temporarily for 3 years in Government Order No. 1837-8—Muz. 25-23-18, dated 19th June 1925, pending selection of lands for the temple in the Belur Taluk. Since the selection has not yet been definitely settled, the continuance of cash grant may be kindly allowed.

5. The provision for the maintenance of Halebid Temples has been allowed to be continued in Government Order sanctioning the General Muzrai Fund Budget of last year 1927-28, having regard to the importance of the temple and need to keep them in good condition. The Chief Engineer is urging for its continuance and the matter is under correspondence.

6. The provision of Rs. 1,000 under grant-in-aid to Veda Patasalas is found inadequate as many applications for grant-in-aid are being received from the promoters of such Patasalas from various places. Individual recommendations will be separately sent up to Government and orders obtained. A sum of Rs. 2,000 may therefore be provided for.

7. The other items of expenditure are all covered by Government sanction.

A list of works to be undertaken out of the funds of next year has been called for from the Deputy Commissioners of Districts and the consolidated list will be separately submitted to Government on receipt of particulars from Districts.
